Donald Duckworth,

Everything looks good so far. Please complete and return the attached Event packet. I also need a copy of your Building and Safety Permit. Call me if you have any questions.

It's that time of year again!! It's time to pull our Fire Department permit for the Westchester Halloween Town Fair that will be held on October 27. Same place. Same basic program of activities. I've attached our 2012 flyer and draft layouts for the day and evening activities.

We have already pulled our Temporary Special Event Permit at LADBS.

What's next? If you want me to come in and sign the papers and pay the fees I can do that at your convenience.

Thanks Alan.
